HOLY WEEK:

The marriage between
Jesus the Bridegroom
and his Bride,
the Church

How does God relate to his Church?

What is the nature of our personal relationship with Jesus?

Our relationship with God – communal and personal – is a love story.

It is the love between the Bridegroom and his Bride.

.

This love story reaches its climax during Holy Week. The Passion of Christ was the fulfillment of ancient Jewish prophecies of a wedding, when the God of the universe would wed himself to us in an everlasting nuptial covenant. During Holy Week we wed, consummate, and celebrate the Wedding Feast of the Lamb.

This presentation will introduce you to a new way of living out your relationship with Jesus, one that will draw you into a more intimate communion with God.
