

St. Joseph CCW Spirituality Note #13 – "Journey to Christmas"

November 16, 2021

Advent approaches

This is a busy time of year. It's all about getting ready. But we can be so focused on shopping and decorating and planning that we forget to get ourselves spiritually ready for the coming of Jesus.

Here is a unique series that will help you prepare for Christmas without feeling overwhelmed. It is designed to work within your schedule to give you a spiritually rich Christmas season helping you prepare well and keep your focus on Christ.

May I make a recommendation? Take a good look and sign up for a small fee. **"Journey to Christmas"** starts November 28 and will come right into your inbox. Couldn't be easier!
